Picture Jeopardy

An online trivia game to spice up your virtual Thanksgiving gathering.

Shed Rules:

Start by identifying three charities you're passionate about. The host chooses the first category and starting square (might want to start with a low one), everyone is invited to shout out their answers. The first person to answer correctly gets to choose which charity gets a donation, and then chooses the next square. The points translate to dollar amounts (20 points can be \$20, \$2 or \$200, gratitude is the attitude).
